APPLICATION INSTRUCTIONS

1. Locate medial side of splint as marked.
2. Apply device with arm flexed, following the contour of the splint and making sure medial sticker is on the inside of arm.
3. Attach middle strap by wrapping it around the entire unit and attaching to itself.
4. Slide bottom strap through buckle and attach at desired comfort level.
5. Complete application by sliding top strap through buckle and attach at desired comfort level.

CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Wipe plastic shell with damp cloth, you may use disinfectant or mild soap, and wipe dry.

For products with a removable liner, you may hand wash liner in warm water with mild soap, air dry, do not use high temperatures to wash or dry.
